APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion and place of use of the waters of the Quinn River as heretofore granted under Permit No. 13280 is issued subject to the terms and conditions imposed in said Permit No. 13280 and with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial headgate and weir must be installed at or near the new point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water under this proposed change at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use and not to exceed 20.0 cubic feet per second.

Actual construction work shall begin on or before July 10, 1957

Proof of commencement of work shall be filed before August 10, 1957

Work must be prosecuted with reasonable diligence and be completed on or before July 10, 1957

Proof of completion of work shall be filed before August 10, 1957

Application of water to beneficial use shall be made on or before July 10, 1957

Proof of the application of water to beneficial use must be filed with State Engineer on or before August 10, 1957

Proof of commencement of work filed AUG 10 1957  
Proof of Completion of work filed AUG 10 1957  
PROOF OF BENEFICIAL USE FILED AUG 10 1957

WITNESS MY HAND AND SEAL this 10th day of January, 1957

Permit No. 4671 issued 3/28/58 for 20.00 cfs for irrigation
